### Jesus Core a weekend of deeper faith discovery

---

Are you...

... excited about your faith in Jesus Christ, and want to take it to the next level?

... eager to dig deeper to find the core of your faith?

... wondering if God is up to something in your life ... calling you to make a real difference?

... curious about Jesus, but don't know who or how to ask?

... ready to spend a weekend with Andra Moran, an awesome musician and nationally known singer/song-writer who has played many UCC and other church venues — including Synod, leaders you can relate to, and cool people your age from all over Wisconsin?

**Then Jesus Core is perfect for you!**

Come spend time enjoying the beauty of God's world while we dive down to the core of our faith. There will be time for silence and laughter, long talks, worship, prayer and goofing around, too!

### The Plunge a reflective weekend for senior high and young adult

---

Have you ever wondered about some of those deep theological questions — questions about what the Bible says, about suffering and pain in the world, about social justice and peace, or about the afterlife? How often have you wished for a deeper conversation, one that gets to the very center of your spiritual being? Do you want to know more, share more, discuss more, and learn more? This event is just for you!

“The Plunge” will provide an opportunity for Senior High participants to share in a deeper conversation and to listen for and respond to God's call. The weekend's program will focus on spiritual exercise, quiet time, meaningful conversation and reflection.

Andra Moran, a nationally known singer/song-writer, will lead us in song and worship — and set the tone for a meaningful life-changing experience!
