## Planning for a Lifetime of Love

a pre-marriage retreat for couples entering into a committed relationship

Couples spend a lot of time preparing for their marriage ceremony and joyous celebration and often miss the opportunity to prepare themselves for the joys and issues of life together as a family unit. This weekend will give couples who are moving into a committed relationship an occasion to increase their awareness and knowledge of important issues and to develop the interpersonal skills needed to strengthen their marriage relationship.

During our time together we will use the Prepare/Enrich Inventory to help couples to be more aware of their strengths and potential growth areas. Issues will be presented to stimulate couple discussions that are vital to their relationship. Some of the areas that will be addressed will include communication skills, conflict resolution skills, financial skills, and skills for developing intimacy. Couples will spend some time together with the whole group, but a majority of the exercises and discussions will be between the two individuals in each couple.

This event will be facilitated by professionals from the Samaritan Counseling Center in Appleton, a faith-based counseling and resource service which works with dozens of couples each year as they prepare to enter into healthy long-term relationships.

A wedding or life-long committed relationship is a big decision. This event will help insure that this is a good, healthy, and happy decision!

## A Stitch In Time

quilting and crafting retreats for adults

Calling all quilters and other crafters! You are invited to join us for a time of relaxation, fun, and exercising your creative spirit. Leave your family, work worries, and meal prep behind as we share these days of fellowship and friendship. Take a break from your projects and pamper yourself with undisturbed time in the beauty of God's creation — walk in the woods, relax by the fire, walk the outdoor labyrinth, or even visit a local quilt shop or craft store. Bring your sewing or crafting supplies, and of course, be sure to bring along a favorite quilt and/or other project for our show and tell.
