

# Adult Retreats & Events

## Grandparent & Me - Little House on the Prairie completing 1st - 5th grade

This exciting event invites grandmothers and granddaughters to explore pioneer life in the Midwest through the eyes of a young girl in the 1870s and 1880s. This event will bring the best of camp in 2010 — swimming, campfires, games, nature and craft activities, discussion, and sharing — together with a nostalgic look at growing up in Wisconsin in the pioneer days. See complete description and other information on page 3.

## Baby Boomer Camp

This event — set with the backdrop of the beautiful autumn colors — is a time for “Baby Boomers” and other adults to enjoy and explore. There will be conversation about faith, about the church, and about the relevancy of the church in 2010. This promises to be an engaging conversation!

The event will also include a tour of the new wind farms south of Fond du Lac, a visit to the Horicon Marsh during the peak migration and fall color season, and a visit to a local glass blower’s studio.

The Baby Boomers’ camp will be hosted in Oak Mound Lodge, our year-round retreat facility which features a warm and inviting lounge, a beautiful fireplace which invites you to grab a seat and relax, and a wonderful deck overlooking Green Lake. Semi-private bedrooms with attached bathrooms provide quiet and privacy, while the beauty of the change of the seasons offers many opportunities to explore and enjoy.

## Sixties Plus!

Camp is a real adventure for the young — and the young at heart — and everyone in between! Scheduled in the fall, these events are a fun, relaxing, rejuvenating way to enjoy the splendor of autumn in Wisconsin. The daily agenda includes healthy servings of food, fellowship, and fun!

Accommodations feature comfortable beds, bathrooms convenient to each bedroom, welcoming spaces and warm fireplaces, and a friendly staff eager to serve you. Three generous, delicious, and nutritious meals and an evening snack are served daily. Special housing, accessibility, or dietary requests can usually be addressed by contacting the Moon Beach office before you arrive at camp.

These events are spiritually uplifting and the schedule is comfortably paced. Participants will have plenty of opportunity to explore the cranberry bogs, shops in the Eagle River and St. Germain area, and experience all that Moon Beach offers — including kayaks, boats, trails, and sauna.

## Golf Weekend golfing in the crisp air of autumn

There are few things more spectacular than the Northwoods of Wisconsin in early fall as viewed from a tee box! Come play golf for three days on challenging courses with other folks scrambling to enjoy a few rounds before the winter sets in. Along with relaxation, the evenings will include time to meditate and reflect on your faith in leisure, at work and in your family.

God will take care of the beauty, we’ll take care of the tee times, you take care of the fun — and the greens fees!
