

**United Church Camps, Inc.
Scholarship Request Form**

UCCI has been fortunate in the fact that many current and former campers have contributed to establish a camper scholarship fund. The generosity of these campers has helped make camping experiences at Pilgrim Center and Moon Beach Camp possible for dozens of campers for more than a decade.

The UCCI Board, as the stewards of these funds, awards scholarships on the basis of need. Scholarships are generally given in partnership with the local church, the UCC association to which your church belongs, and your family. It is our hope the each partner can provide 25% of the total camp fees where the need for assistance exists. While there are certainly exceptions made when situations dictate, we do look to churches, the association, UCCI, and the family to share in the financial commitment necessary to make camp available to all campers.
